"Sublicensor" means Persons or Corporations authorised by the licensor or copyright holder by contract in writing to sublicence the software.
“research providers” means the providers of research data to the licensor and copyright holder

LICENCE

In consideration of the payment of the licence fee and agreement by the licensee to abide by the terms and conditions of the agreement the licensor the sublicensor grants a non-exclusive site licence to use the software in accordance with the permitted uses.

PERMITTED USES

The software may only be used in the performance of professional work as an accountant in public practice or as trustee or agent of the trustee of a superannuation fund.

NOT PERMITTED USES

The licensee will not without the prior written consent of the licensor or copyright holder permit cause or allow any person or other organisation or body whatsoever to:
(i) Copy or duplicate the files except:
(a) as provided under permitted uses, or
(b) the demonstration file Diy16dem.xlsm or Diy26dem.xlsm;
(ii) reverse assemble, decompile the software or unprotect the cells;
(iii) create or recreate or attempt to create or recreate the model macro programs or any other aspect of the software in whole or in any part whatsoever;
(iv) place the information in the public domain;
(v) publish the software to any other person whatsoever except with the consent of the licensor or sublicensor;
(vi) endorse any products as being compatible or associated with the software apart from those described in the software manuals except with the prior written consent of the licensor.

UNDERTAKINGS
The licensee shall limit access to all computer equipment, computer disks, documentation and any other media whatsoever containing the software and documentation relating thereto to those of its employees and agents necessary to permit the licensee to use the software for the purposes herein.

The licensee shall store the software and the operating instructions in a secure place except when being used, and will exercise all other precautions as may be necessary to prevent unauthorised access to the software and the operating instructions, whether directly or indirectly whether during use or otherwise.

The licensee will indemnify the copyright holder, the licensor, the research providers and sublicensor against all loss and damage (including all consequential loss and damage (whether foreseeable or not) and will account to the licensor and sublicensor for all profits received by the licensee whatsoever and or lost by the licensor or sublicensor arising from any unauthorised disclosure, transfer, duplication, unprotection, disassembly or use of the software or from any breach of this agreement.

The licensee shall install the software on the hard drive of a computer in one location only.

The licensee shall not:
(i) sell, sublicense, assign or distribute the software to any person in any form,
(ii) hypothecate;
(iii) mortgage; or
(iv) declare a trust.
in respect of any of the rights as the licensor or sublicensor may herein or hereafter grant to the licensee without prior written consent of the licensee.

AGREEMENT
This agreement shall operate for a period of eighteen (18) months from the date of the purchase of the licence in the software by the licensee provided however that the licensor or sublicensor may terminate this agreement at any time and the licensee shall have no recourse whatsoever for such termination.

The licensee hereby acknowledges and warrants that this deed has been brought to its notice prior to any agreement between the sublicensor, and/or licensor in respect of the software.

The licensee hereby acknowledges and warrants that it has received a copy of the specification of the minimum requirements of the hardware and other software required for the software to operate published from time to time on its advertising products and on its website.

THE APPLICABLE LAW
The applicable law in relation to this agreement shall be the law of Queensland.

WAIVER
The licensee hereby waives any claim whatsoever that it may have or hereinafter have against the copyright holder, the licensor, distributors, sublicensor, and research providers and indemnifies the copyright holder, the licensor, distributors, sublicensor, and research providers in relation to:
(i) any claims whatsoever that the licensee may have or hereinafter have against the copyright holder, the licensor, distributors, research providers and or sublicensor arising out of or incidental to the software, including any negligence, breach of contract, breach of trust, breach of fiduciary duty or otherwise by the copyright holder, the licensor, the research providers and or sublicensor, their servants or agents;
(ii) the software not operating;
(iii) the software not operating to the satisfaction of the licensee;
(iv) the software not performing any of the functions expected of the software
(v) any fault developing in the software;
(vi) any loss or damage whatsoever that the licensee may suffer as a result of its entering into this agreement or using the software; and

(vii) the software being affected by any virus, and the licensee hereby indemnifies the copyright holder, the licensor, the research providers and the sublicensor against any claim by the licensee including any costs of the copyright holder, the licensor or sublicensor on a solicitor and own client basis that might arise out of any claim by the licensee against the copyright holder, the licensor, the research providers and or the sublicensor.

The licensee hereby waives all rights and claims that it might otherwise have against the copyright holder, the licensor, the research providers, and the sublicensor pursuant to the "Sale of Goods Act" ("the SGA") and any warranty which the copyright holder, the licensor, the research providers, or the sublicensor might otherwise have under the SGA and also hereby indemnifies the copyright holder, the licensor, the research providers and the sublicensor against any claim whatsoever, including the copyright holder's, the licensor's and sublicensor's costs on a solicitor and own client basis of defending such claims which might be made against the copyright holder, the licensor, the research providers or sublicensor arising out of or incidental to the software.

Subject to any qualification in the "Competition and Consumer Act, 2010" (as amended) ("the CCA") which expressly prohibits exclusion of the operation of any provision in the CCA, the licensee hereby waives any rights or claims whatsoever that the licensee might otherwise have against the copyright holder, the licensor, the research providers and sublicensor and the licensee hereby indemnifies the copyright holder, the licensor, the research providers and sublicensor against any claim against the copyright holder, the licensor, the research providers or sublicensor whatsoever, including for the copyright holder's, the licensor's and sublicensor's costs on a solicitor and own client basis, that the licensee or anyone against whom the licensee is making claim or demand, may make.
